

Vale informs on final understandings for Brumadinho reparation agreement

Rio de Janeiro, February 3, 2021 – Vale S.A. (“Vale”) confirms the content of the Official Note just released by the Government of Minas Gerais, the Minas Gerais State Public Prosecutors' Office, the Federal Public Prosecutors' Office and the Minas Gerais State Public Defender's Office on a possible global agreement for the reparation of the socio-economic and socio-environmental damage caused by dam rupture at Córrego do Feijão, in Brumadinho.

Vale also confirms that "a hearing was scheduled for next Thursday (February 4) for final understandings and possible signing of the Reparation Term, with investments and actions focused on the affected regions and their population".

Luciano Siani Pires
Executive Officer of Investor Relations

Ever since the COVID-19 outbreak began, our highest priority is the health and safety of our employees. Our IR team adopted work-from home, and as we continue to face these new circumstances, we strongly recommend you prioritize e-mail and online.

This press release may include statements that present Vale's expectations about future events or results. All statements, when based upon expectations about the future, involve various risks and uncertainties. Vale cannot guarantee that such statements will prove correct. These risks and uncertainties include factors related to the following: (a) the countries where we operate, especially Brazil and Canada; (b) the global economy; (c) the capital markets; (d) the mining and metals prices and their dependence on global industrial production, which is cyclical by nature; and (e) global competition in the markets in which Vale operates. To obtain further information on factors that may lead to results different from those forecast by Vale, please consult the reports Vale files with the U.S. Securities and Exchange Commission (SEC), the Brazilian Comissão de Valores Mobiliários (CVM) and in particular the factors discussed under "Forward-Looking Statements" and "Risk Factors" in Vale's annual report.
